

About

Eva Szabo is a hungarian photographer. Her works often deal with issues of isolation, marginalized people, and their environment. She is approaching her subjects with humanity and empathy. She often forms bonds with the people she is photographing. She is interested in humanitarian and sociopolitical issues. She has worked for NGOs such as CVTD Vietnam, International Rescue Committee, International Medical Corps, British Red Cross, IOM, and news outlets Index (now Telex) and Kelet-Magyarország.
